River Currents is your publication and is produced through a team effort by the Second Coast Guard District Public Affairs Staff. It is published quarterly with a circulation of 2100. This publication is non-record material and should not be considered as authority for any official action. Views and opinions expressed within River Currents are not necessarily those of the Department of Transportation or the United States Coast Guard. River Currents is published under the provisions of COMDTINST M5728.2B.
Stories should be sent double spaced, on floppy disk or E-mail if available. A hard copy of the story should be submitted even with electronic submissions. Please provide point of contact information on text, and identification on people in any photos submitted. The River Currents editor reserves the right to select and edit all submissions. Address them to:
